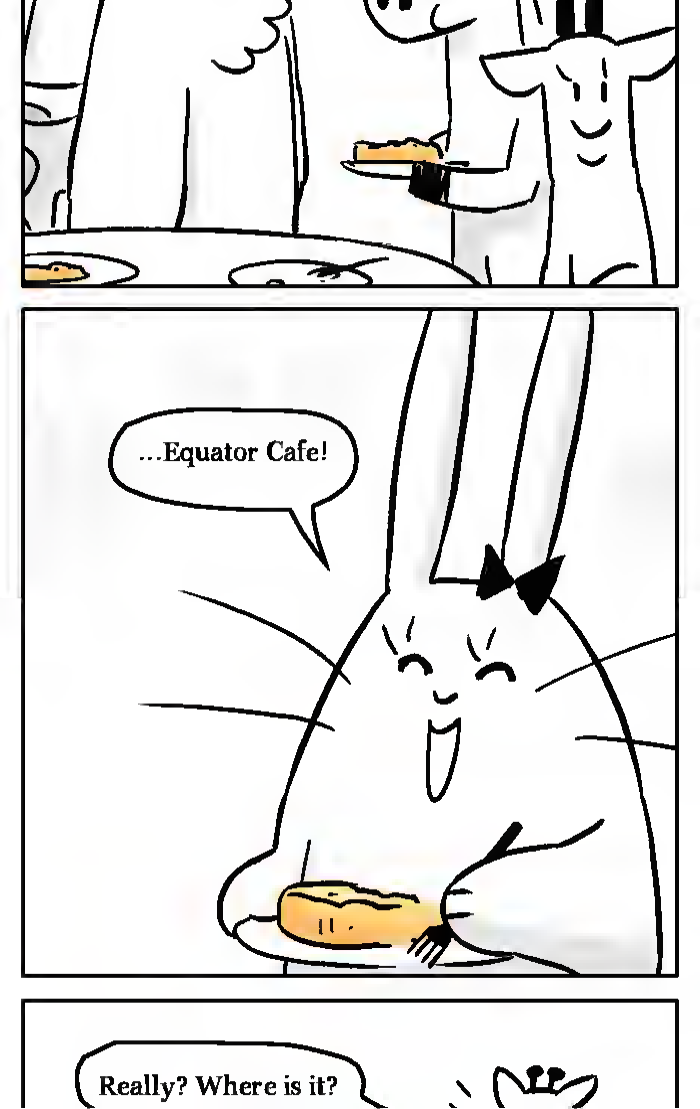
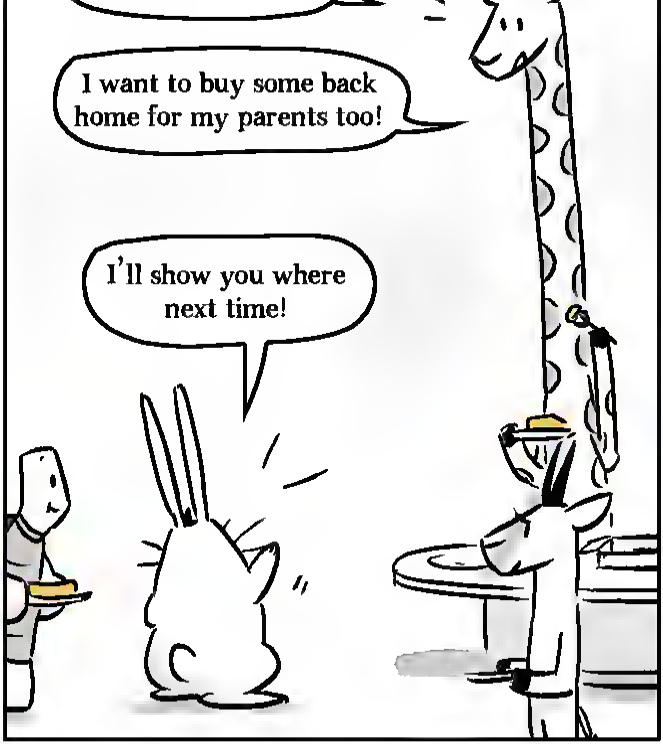
The Cafe

...I found out where Po bought those delicious snacks from!

They are from...

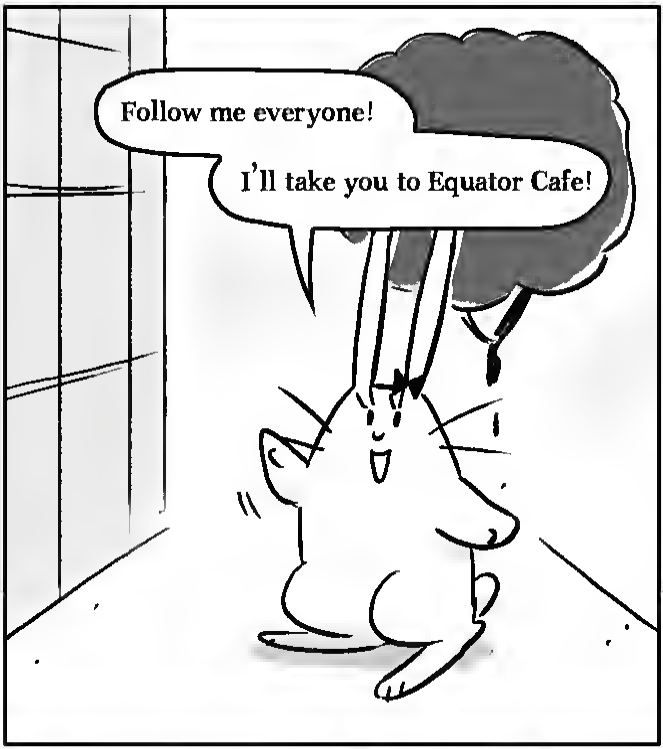


...Equator Cafe!
Really? Where is it?

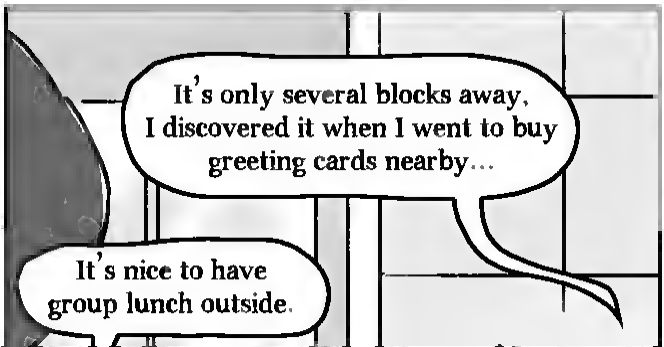


I want to buy some back home for my parents too!
I'll show you where next time!

ROAR STREET JOURNAL



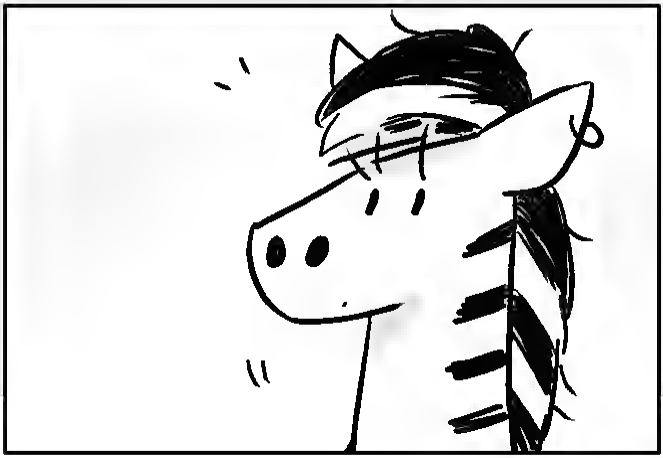
Follow me everyone!
I'll take you to Equator Cafe!

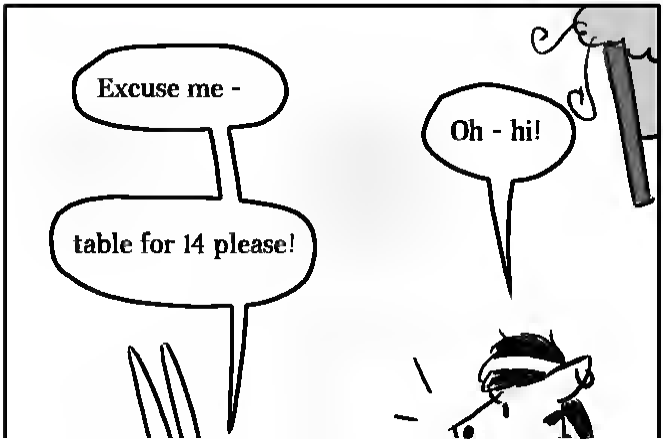


It's only several blocks away. I discovered it when I went to buy greeting cards nearby...
It's nice to have group lunch outside.

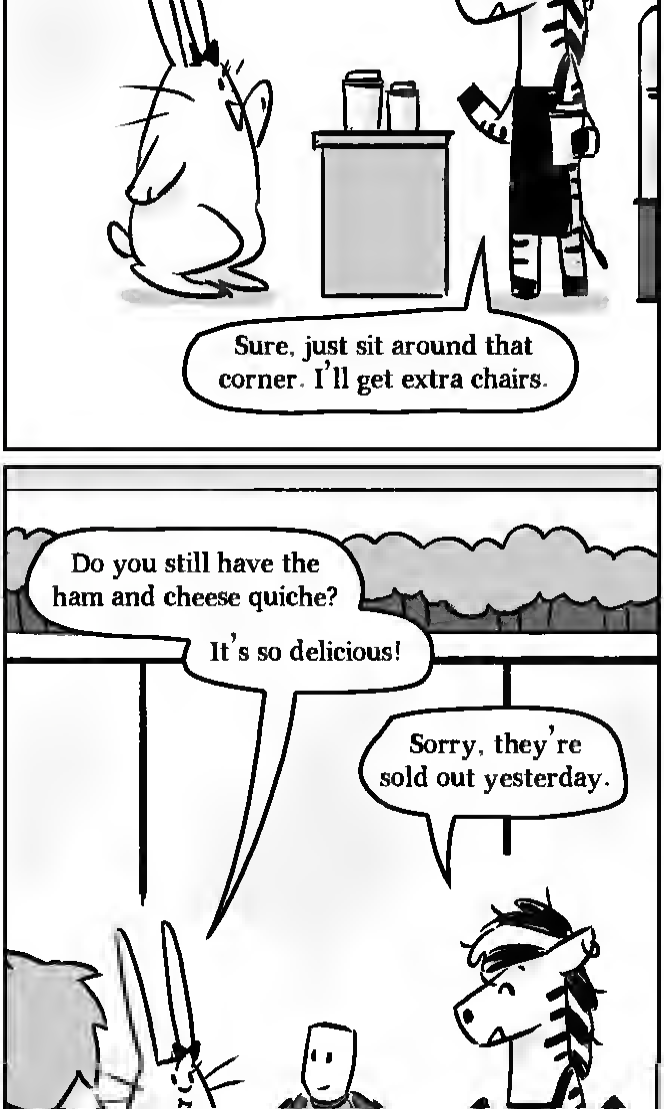
Here we are!
EQUATOR
equator

Let's see if
there are seats

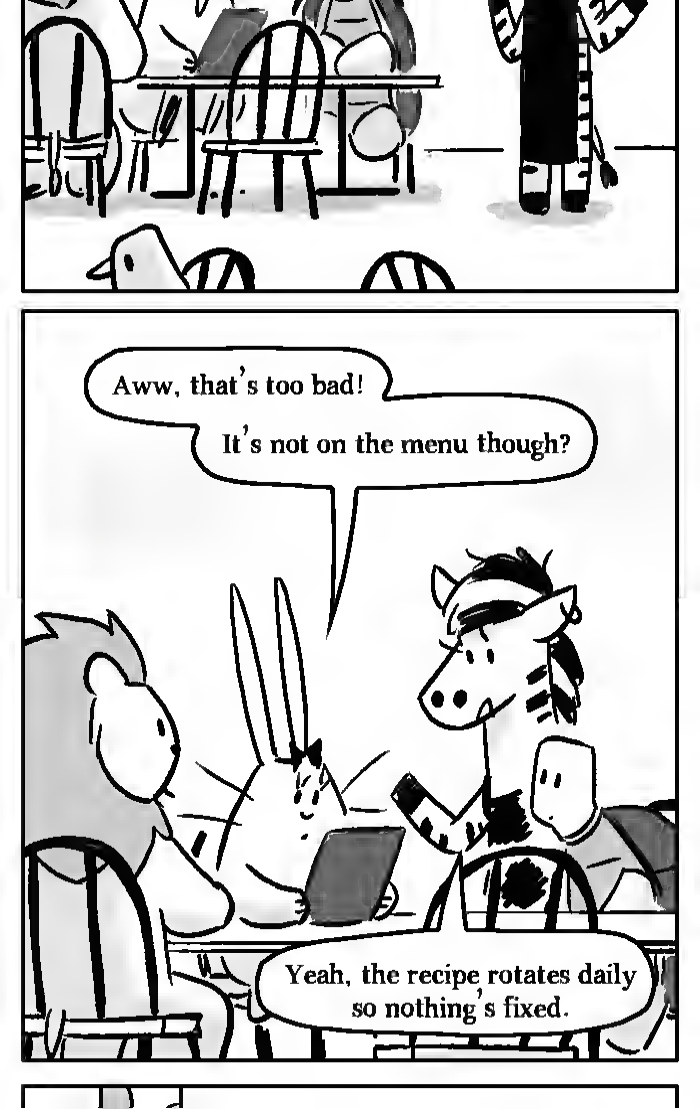




Excuse me -
table for 14 please!
Oh - hi!

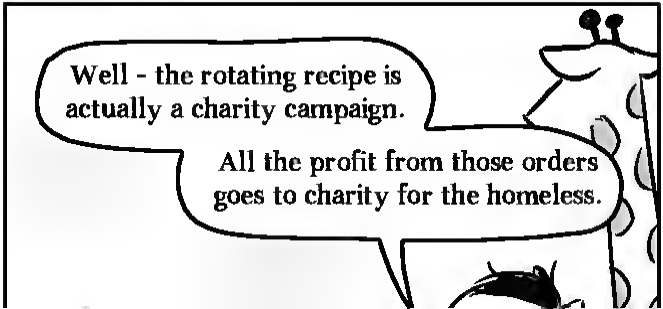


Sure, just sit around that corner. I'll get extra chairs.
Do you still have the ham and cheese quiche?
It's so delicious!
Sorry, they're sold out yesterday.



Aww, that's too bad!
It's not on the menu though?
Yeah, the recipe rotates daily so nothing's fixed.

Rotates? That's why Po bought back different snacks everyday.
Maybe the cafe wants to make animals come back everyday to check out what's special.
Marketing strategies.



Well - the rotating recipe is actually a charity campaign.
All the profit from those orders goes to charity for the homeless.

Ah, that's why Po bought these!
He sure has a big heart!

Too bad they sold out all the special stuff today,
but their sandwiches are pretty good too!
I hope they have it tomorrow!

Charity for the homeless is great!
You did some good deeds Po!

Keep buying for the office from Equator Cafe!
I'll fund you!
Thanks Leo, you don't need to fund me.
I will use my money to buy them.
I don't use much money anyway
Nonono, I don't want you to do this...

Well then, I'll give you extra salary!
Thanks...

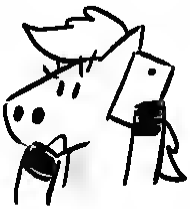
Good teamwork!

Few days ago

Horsie, do you have any idea how to handle the extra food?

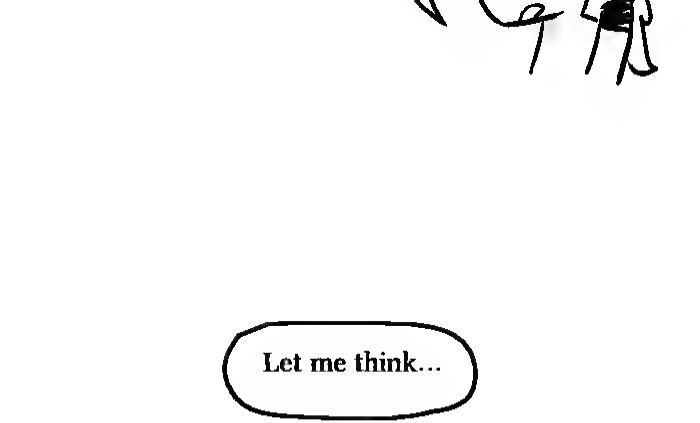
Hmm, maybe we can sell or give them out elsewhere.



Can we sell the extra at RSJ cafe?

Bad idea. How can we convince Chef Mousse you didn't made the food?

And RSJ cafe is not open to public so there's little difference...



Hi! Thanks for helping Po

and letting him collect your cafe food waste!

Don't mention it! I'm glad to help!

Can you do us a favor? It'll help Po loads.

Sure thing!

You can just

So Po will sell his extra batches here, bringing them in when he delivers newspaper everyday...

Uh-huh, then I'll collect the profit for Po.

We'll save more food while keeping Po safe.

Equator cafe will have more promotion.

Deal!
